Speaker

Really enjoyed his sharing of his experiences, very dynamic and energetic. Best presenter I have seen in a long time!

Dr. Brooks is one of the best presenters and I have seen a lot. His stories of real life situations are amazing and thought provoking. He has given me inspiration and increased spiritual resilience.

Excellent speaker, conveys material very well to a group

Excellent seminar, Dr. Brooks is very entertaining, knowledgeable & thought provoking.

I enjoyed the real life examples to show concepts; they made it real and kept it interesting. I also loved his use of humor.

Excellent story teller; arguably the most effective teaching medium. Wish I had his talent. The humor is outstanding and unforgettable.

Good examples and stories but too many questions from the audience

Very entertaining. I have some useful strategies for some of my patients.

program was outstanding

Outstanding program! Engaging speaker! Thank you!

Needs fewer stories and more strategies & how to implement in various settings.

More focus on strategies and interventions.

It would be helpful to add more slides to provide greater explanation! The story/case examples were very helpful!

I would have enjoyed hearing more about your specific plans/interventions.

I work 3rd shift and with only 4hours of sleep, Dr. Brooks kept me engaged and interested

I love stories and learn best that way.

I learned with joy! Helpful and affirming support. Thanks for the lively stories and experience.

His use of storytelling not only holds the audience's attention but reinforces his strategies.

Examples were great help!

Enjoyed his stories and examples.

easy to relate to

each concept embellished with anecdotal info, kept my attention

Although I enjoyed his style and stories, one Day 1 I thought he did not give specific, concrete "how to" info. However, he pulled in all together very well to make the info worth while

Overall

Would have liked some of the books Dr. Brooks referred to during his presentation to be available at the book sale.

Very inspiring, much needed in this time of discouragement, decreased funding while increased challenges.

Very comfortable environment, informal atmosphere is appreciated by many.

Too much time spent on audience questions

This was a great conference, thanks! I appreciate the snacks and well-timed breaks. Suggestion, include a small map of the immediate area, including how to get downtown. Also please have recycling bins for cans & plastic.

The gift of additional chapters & articles are outstanding!

The breaks were helpful for keeping attention

Thanks!

Thanks for always taking such good care of us!

Should he have had a remote to change the slides?

Need police directing traffic at lunch.

J&K have become my training of choice for my CEU's

I have found Dr. Brooks manner and attitude encouraging, I can do more to improve the quality of my work

I enjoyed this seminar. Information was delivered in a very understandable, enlightening manner. The stories were very helpful and I will use a great deal of this with the student I work with.

I actively seek out conferences with J&K, it is the most welcoming and comfortable space I have experienced.

Great seminar! Very affirming and time well spent.

Great job!

Great attention to detail!

Could you consider trainings that don't end on Friday afternoons, it makes getting home much more difficult.
