

## *Assessing and Managing Suicidality: Therapist Responsibilities*

Presented by

**Linda K. Knauss, Ph.D., ABPP**

### **Overview**

Identification of individuals at risk for death by suicide is a difficult task. This training will focus on the responsibilities of therapists to both assess and manage suicidality. Dr. Knauss will discuss interviewing techniques and assessment measures.

### **Objectives: Participants will be able to:**

- Factors that are helpful in evaluating and assessing the risk of suicide.
- Clinical, ethical, and legal issues involved with clients who threaten to harm themselves.
- The importance of training and consultation with colleagues around these issues. (1:01:05)

**1 Hours CE Credits**

**Linda K. Knauss, Ph.D., ABPP**

Dr. Knauss is a Professor at Widener University's Institute for Graduate Clinical Psychology. She is the chair of the Ethics Committee of the American Board of Professional Psychology.

Dr. Knauss has authored several book chapters and journal articles on ethics, and has taught many continuing education workshops and college courses on a variety of ethical issues.

Dr. Knauss represents Pennsylvania in APA's Council

of Representatives. She was the recipient of a 2015 APA Presidential Citation for her work in APA; the recipient of the 2002 Ethics Educators Award presented by the Pennsylvania Psychological Association's Ethics Committee; and the recipient of the 2004 Pennsylvania Psychological Association Distinguished Service Award.

Dr. Knauss maintains a private clinical practice where she sees children, adolescents, adults, and families.
