4) Comments regarding the speaker's quality of instruction and teaching ability:

Very informative

I was part ofr Leann Campbell and got a questionnaire on dietary. My opinions of the presenter apply to the tyrauma.

Ms. Matz was very engaging and knowlegable about engaging clients with disordered eating. Very thoughtful presentation of what we need to change in our approach. She gave a thorough review of supporting research.

13) Additional Overall Comments, Criticisms, Compliments, and Suggestions (What can we do to improve our programs)?

I can't think of anything more that could be done.

Thank you for doing such an excellent job in providing seminars that meet clinicians educational needs.

I need this form of zoom seminar for licensing purposes but would rather take two 3 hr. seminars than one 6 hr. seminar. I really like the handouts you give before the seminar and look forward to being able to review the tape.
