Comment:

Thank you very much for continuing to make high quality and clinically relevant presentations available!

I have attended in-person JK Seminars since 1996 and the majority of speakers have been very good; JK team organization at in-person seminars is always comfortable and inviting and these Zoom webinars are very efficient. Thank you.

The Staff at J & K are helpful and efficient. I always choose their workshops first.

13) Additional Overall Comments, Criticisms, Compliments, and Suggestions (What can we do to improve our programs)?

We could have had a few small breaks from lecture, as the material was quite heavy at times but good content.

Shifting from zoom webinar to zoom meeting may be helpful in increasing interaction and addressing questions and concerns.

I would only say continue the excellent work - thank you!
