Comments:

Once again J & K did not disappoint in the quality of training. This training was the best by far. Thank you.

This was a great training, but it could have been broken into 2 days.

I didn't require accommodations

OPEN QUESTION

13) Additional Overall Comments, Criticisms, Compliments, and Suggestions (What can we do to improve our programs)?

Excellent programs.

All seminars are excellent. Just occasionally presenters try to squeeze in too much material which speeds up the flow. I believe less material with more audience participation would be better.

See above.
