4) Comments regarding the speaker's quality of instruction and teaching ability:

Dr. Siegel was articulate, well informed, thorough, engaging, and overall a pleasure to listen to and learn from.

Great presentation! Re-lived my experience of the 60's.

I found Dr. Siegel to be an engaging and informative speaker. I appreciated his introductory with background history before moving to present issues and practices. I learned a good bit about psychedelic experiences and potential therapy uses.
